Notice of Entitlement to Reissue Rate

This shall serve as notice that the reissue rate (a reduced premium) set forth in Section 627.7825(2) of the Florida Statutes may be applicable if: (1) this transaction falls within the parameters of the Rule; and (2) you provide **Old Republic National Title Insurance Co.** with a copy of a previous owners policy in which you are the insured, as defined by said policy, and which insures the property that is the subject of this transaction.

Acknowledgement of No Previous Owners Policy

The undersigned, as sellers, hereby acknowledge the above Notice and further states that we are not in possession of a previous owners policy insuring the property listed on 'Schedule A' of the Commitment. For this reason, it is understood that the reissue credit is not applicable to this particular transaction.
